

AA Clark now service Ford as well as Vauxhall...

AA Clark have now successfully relocated to their newly refurbished service centre in Bracknell.

The icing on the cake was that AA Clark has been awarded by Ford the approved service centre for Ford in the Bracknell and Wokingham area. What a double whammy for Ford drivers in the area.

All servicing work is carried out by Ford trained technicians. AA Clark provide transparent pricing on both Ford and Vauxhall, as well as having a fast fit tyre and exhaust fitting service (not forgetting a MOT station).

AA Clark offer Ford and Vauxhall customers a FREE collection and delivery service.
