

Calling

Budding Entrepreneurial Students (of any discipline)

Business in Berkshire is looking for individuals or teams of young entrepreneurs to come to a networking lunch on the 17th November at The Renaissance Hotel, Reading.

They will be given the opportunity to pitch their business ideas to local business people attending the lunch and the Business in Berkshire team.

Business in Berkshire will then support the 6 best ideas in evolving their vision. The winning 6 will receive:

- **A Business in Berkshire Silver Crusader account with 6 months membership, worth £900.**
- **BinB will create you a prominent online profile and promote you to the local business community on a regular basis.**
- **A journalist will start off by writing a piece on you and your idea and this will be published on the BinB Newsletter.**
- **BinB will support you through the networking process and help your business evolve through the involvement of the business community.**
- **There will be a variety of other prizes from our sponsors...**
- **You need to be in it to win it!**

Entry to this event is just £5 per student and £25 for business people, which will go to Children In Need.

We are hoping that this event is going to become an annual occasion so we are looking for the first of many students to be supported by Business in Berkshire.

If you would like to take part Contact Hannah Lewis to register. Email: hannah.lewis@businessinberkshire.co.uk
