

Tender

for Market Research and Related Services

The London 2012 Organising Committee and the Olympic Delivery Authority are seeking expressions of interest relating to market research and related services for the period 2007 until 2013.

A contract notice has been published via the Official Journal of the European Union (OJEU). You can view this notice on the my Tenders website by going to www.mytenders.com/login.aspx?clicking and searching for document ID 45182.

The research programme will cover the following areas:

- public support
- attitudes
- opinions
- behaviour.

Companies interested in delivering a market research solution for London 2012 can request a Pre-Qualification Questionnaire (PQQ) via email

The PQQ details the tender process, selection criteria and timetable.

Please continue to check london2012.com/business for the latest information on the 2012 project.
