

Town Centre Managers needed across Berkshire

Business in Berkshire is proving a very powerful brand and online marketing platform.

Last month 87,000 visitors went to some 391,000 pages of Business in Berkshire. That's a ton of traffic and this means that we can help people get their message heard not only in Berkshire but across the globe.

If you are reading this going, yeah, yeah, yeah then I suggest you sign up for our daily newsletters and read about our success and become part of it.

For only £180 + Vat per year you can become part of our future and see your name in lights. It's when the phone rings with someone asking for your service that you will truly believe the power that we offer but hey, we can lead a horse to water!

If you are someone that believes in what we have to offer and would like to resell our service as part of what you are doing already or if you are confident of your sales ability then we would like to hear from you asap.

We offer a great commission structure and earning potential for those with the right attitude. Do yourself a favour and give us a call on 01753 852904.

If you can then take the same copy and give them the following headers and change the vibe of the flyer each time!
