Key areas covered on the day...

Meeting your obligations

All businesses must comply with the law. Find out what you're legally required to do and how to protect your business.

Discrimination Laws – avoid costly mistakes

As an equal opportunity employer you ensure you have the right staff for the job. Make sure you don't unwittingly breach legislation – and be crippled with unlimited awards.

Legislation impacting your business

Sickness (Swine Flu), Redundancy, Flexible Working, Vetting & Barring Scheme, Retirement

How to avoid tribunals

Make sure you don't fall foul of the compensation culture.

Health & Safety Compliance

As a business owner the responsibility for Health & Safety falls on your shoulders. Compliance is essential to avoid criminal prosecution.

Managing current disputes

On the day our experts can talk to you about any current staff issues you may have.

"Informative, entertaining and a real eye opener! Excellent insight into the law; I would highly recommend any business to attend."
