

BUY WITH CONFIDENCE

SLOUGH BOROUGH COUNCIL IS ENCOURAGING LOCAL COMPANIES TO JOIN THEIR TRADING STANDARDS APPROVED SCHEME.

The “Buy with Confidence” scheme’s intention is to provide people with a directory of approved and legitimate businesses and traders who offer high-quality products and customer service.

In order to become a part of the scheme, companies are inspected to ensure that high standards are maintained. For firms that work around people’s homes, staff must also pass the Criminal Record Bureau checks.

Cllr John Edwards, commissioner for public protection, stated: “This is a very useful scheme for our businesses and residents”.

“It makes it much easier to choose a trader and buy from them with confidence, knowing they will not rip off their customers, whilst also helping traders to show residents they are reliable.”
