

X Factor Mini Competition

X Factor fans have the chance to win themselves a brand new Mini One – complete with a tankful of petrol.

The competition opens and closes as stated in the popular ITV1 programme (and on 'The Xtra Factor' shown on ITV2).

The competition to win a Mini One is based on a question which is presented during the show, with the draw taking place after the closing date mentioned in the programme. Entrants can enter the competition to win a Mini One either by PRTS phone, SMS text, or digital TV 'red button'. Entry costs £1.00. For full details about the competition rules and conditions, visit:
<http://www.xfactor.tv/information/competitionterms/>

The lucky winner could be driving away in a brand new Mini One - so good luck if you decide to enter the competition. But what happens if you're NOT the lucky winner but still can't wait to get behind the wheel of a new Mini One?

Cooperlease could have the answer. By leasing a Mini One, you get to enjoy all the benefits of new car ownership without the ongoing losses incurred through depreciation.

The Mini One combines BMW build quality and reliability with a stylish retro image all wrapped up in one cool package.

Running costs with the entry-level Mini One are also cheaper than the high-performance Mini Cooper models. The traditional Mini trait of excellent handling due to a low centre of gravity is immediately apparent, along with a ride that is firm but comfortable.

Leasing a Mini One from Cooperlease is an affordable way into one of the smartest looking small cars on the market. When you lease a Mini One, your monthly payments cover the cost of the depreciation over the time you use the car, with the option to buy or return

the vehicle at the end of the agreement. As leasing payments tend to be cheaper than purchasing, it's a cost-effective option which often means a Mini One could be yours to drive every day – even if you don't win the X Factor Mini Competition...
