

Alexander Devine Children's Cancer Trust

Alexander Devine Children's Cancer Trust has been set up in memory of our amazing son Alexander.

Alexander was diagnosed with a rare brain tumour in November 2001 at the tender age of just four years.

He endured operations, treatments and chemotherapy in his four year fight against cancer, with exceptional courage and bravery, with great dignity and without complaint. He has taught us all so much.

In honour of his outstanding courage and strength we have formed this trust. The long term aim for Alexander's Trust is to build and fund a Children's Hospice in the Berkshire area

Alexander House will be a home from home environment providing respite and quality time for the whole family, palliative care, specialist respite care, 24 hour emergency care, advice and bereavement information and support for the family.

If you have any queries or would like more information, please call us on: 0845 055 8276 or email us. Thank you for your support.

If you would like to make a donation, click here and make your contribution via our Gift Aid form.

Great News!

Following our meeting in October to advertise for a Fundraising Manager for Alexander Devine Children's Cancer Trust (ADCCT). Shortly after our meeting we had a phone call from a professional fundraiser who expressed an interest in our cause to 'Build Fund and Run a Children's Hospice in Berkshire'. I am delighted to announce Stevie Horton has joined us as Fundraising Manager.

Our sincere thanks to Business in Berkshire
