

Public relations Berkshire Public relations strategy

Companies looking to make the most of their public relations strategy in 2009 need to connect with Business in Berkshire

We don't claim to be a top public relations crisis communication company but we can certainly help you make the most of your public relations strategy, once you have decided what it is.

There is no better way to get your message out to those who are looking for what you have, than to include it in our pages.

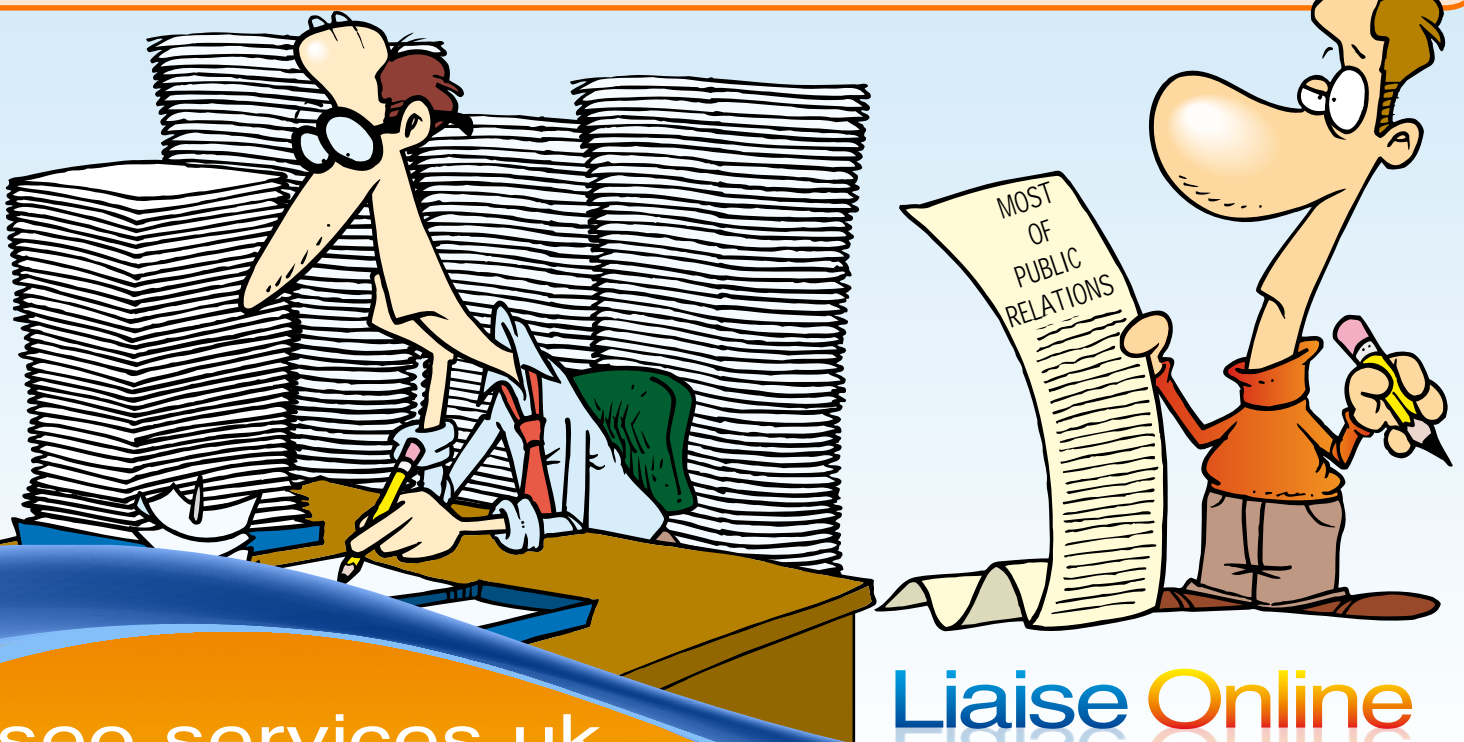

Our news content is indexed within minutes of publication and used by Google alerts to spread it far and wide.

For only £99 + VAT you can join in and start adding your own news regularly, maximising your online pr.

If you are a journalist, copy writer or PR guru and would like to get a better understanding of what Business in Berkshire has to offer then please, send us 250+ words and an image relating to you or one of your clients. We'll push it out through our systems and see if we can help you move your business forward.

This offer is open to current journalists and those budding journalists looking to break into the media. We are happy to help new talent get off to a flying start. Your words plus our levitation provide a great strategic balance enabling you to get seen by media companies looking for new journalists.

Please call 01753 852904 to discuss the way forward.
