

Ascot

**A special for the FSB
And what an opportunity!
A tour of Ascot in all its glory
A great design, a gripping story
With 2 years of anticipation
But what a fabulous transformation!
The changes really are quite stunning
With views to see the horses running
Whilst being wined and dined in style
You still won't miss that winning mile
A mix of modern chic and class
With heritage you can't surpass
From 'Corporate do's' to family fun
There's something there for everyone
Although there's no 'wins' guaranteed
There's one thing that we all agreed
A truly awesome day unfurled
At the finest racecourse in the world!**
