

Corporate Data

Your route to Market

**In these tough economic conditions, can you afford not to know your audience?
Do you need to make the most of contact with larger UK companies?**

Isogon Marketing has recently built a fully profiled corporate database containing the following detail

List Scope

UK companies
All companies have in excess of 2500 employees

List Detail

1885 Companies
Over 1500 Finance Directors
Over 1500 HR Directors
Over 700 Operations Directors
Over 700 Sales & Business Development Directors

Each contact has Phone, mail & EMAIL contact points

You can pick data by job role, industry sector, geography and employee size amongst other criteria.

This list is only a few weeks old and was built by telephone research.

One client can attribute a 20% increase in enquiries using this data.

Please contact Dean at Isogon Marketing for further detail and prices on 01276 856275.
