The Edge is a South East regional enterprise competition for all schools in the 8 South East counties plus the Isle of Wight.

The competition is open to 13 - 15 year olds (i.e. years 9 + 10) from any school in this area. Teams of young people will compete in five Challenges designed to test and sharpen the skills they need to get ahead in life - regardless of whether that involves staying in education or getting into work. Each team comprises of five young people competing to represent their area and go head to head with the 8 other areas in a series of challenges designed to test and sharpen their enterprise skills and general teamwork abilities. Young people or teachers interested in signing up for further information simply need to visit [www.haveyogottheedge.com](http://www.haveyogottheedge.com) and register there. The competition will kick off at the end of the Summer holidays / beginning of next school term with the first round of auditions.
