

Customer Testimonials

Mary Flavelle, Event Networking Specialist.

Jon Davey has helped change my life. The Ben Hur of the business world – more than capable of charging off on his chariot when he gets another wizard idea, and he brings you with him. You may write a nice little press release – send it to Jon and within half hour it is created into a fantastic newsletter. He does what he says and will get you to the top of the search engines – I am gob smacked at how many people find my website – which is also down to Jon. He is an amazing person and will help anyone but he can make a huge difference to your business and it doesn't break the bank. Become a member of Business in Berkshire and find your way forward.
