

Free Internet Marketing ebook

Jon Davey, editor of Business in Berkshire has created a series of A4 PDFs that detail how Business in Berkshire can help those looking to maximise their online marketing.

This free series of Internet marketing ebooks go by the name **BinB 7 Series**. It has been written to help those new to BinB to gain a better understanding of:

- the benefits of regular email newsletters
- the power of being indexed highly on the search engines
- how Google alerts spread your message far and wide

This combination provides the ultimate in online PR and for those gifted enough to understand the value of such an Internet marketing suite, the cost of entry is ridiculously low!

By signing up for the **BinB 7 Series** you are signing up for a Free Internet Marketing ebook that will be delivered daily to your email box. After 7 days you can decide to become the source of your own ebook!

Investing in a BinB Micro Site enables you to add regular content to your micro site which stands an excellent chance of being picked up by the search engines and used by Google alerts in their regular updates.
