

tailored advertising solutions

Coffee tables - A new way to advertise is to use the tops of coffee cables in national and independent stores, universities and motorway service areas nationwide. In addition we can also offer corrugated coffee cup holders in a number of independent outlets in the City of London. This new media will give you the opportunity to target the travelers, students and a large proportion of business people.

Focal Point Advertising have been established since 1987 and can help you reach strategically targeted audiences through traditional and out-of-home advertising opportunities. To find out more call us today, you won't be disappointed.
