

CORPORATE ENTERTAINMENT

Corporate entertainment for corporate clients is what TGRF Productions do best.

We can put together a package to suit your entertainment needs, providing corporate entertainment of the highest quality, whatever your budget.

We can organise your event from start to finish, with top class PA systems, lighting and designers to make your evening a cut above the rest.

We would be happy to discuss your requirements or just leave it to us to theme your evening. Whether you want a dance band or an international superstar, we can deliver corporate entertainment of the highest quality.

We take great pride in our work and if you're not happy, we're not happy.

Unlike other event companies, we are very hands on, and carry your event right through from planning to attending your corporate event on the night, making sure everything goes to plan, leaving you to relax and enjoy the night.

TGRF will make sure your company event is talked about for years to come. We have been providing corporate entertainment for clients such as Next Retail, Littlewoods, and Michael Vaughan's (England Cricket Captain) testimonial year, and have provided star names such as international superstar Lionel Richie, Vernon Kay, Peter Andre, G4, Andy Abraham, Will Mellor, and a host of X Factor stars and many more.

So for a corporate entertainment night to remember, give TGRF a call on 01253 798413. If your gonna do it.....do it right!!
