

EGYPT OR BUST

Ray Fensome of TGRF Productions Ltd, along with his wife Coleen Nolan, will be embarking on a charity bike ride along the River Nile on 17th February 2007 in aid of the Alzheimers Society. Currently launching his sponsorship drive, Ray would welcome your ideas.

Sadly, Coleen's mother is suffering from Alzheimers which prompted Ray and Coleen to come up with the idea for the sponsored bike ride as a fundraiser for the Alzheimers Society. "We're aiming to follow a route along Nile" says Ray, "starting at the Pyramids and ending up at The Valley of the Kings". The couple set off on 17th February, aiming to complete the journey on the 25th.

The website to donate is www.justgiving.com/coleennolan. "If anyone has any ideas for fund-raising I'd love to hear from them" adds Ray.

TGRF Productions provide many top names for corporate entertainment. They also provide "The Great Pretenders" tribute show. Great Pretenders is like a mix and match look-alike show. You pick your favourite stars that you would like to see and TGRF put it together! For instance, if you want Elvis, Robbie Williams, Madonna, Rod Stewart and Tina Turner to perform at your corporate event or party, they will put the show together along with an amazing live band and dancers, according to your budget.
