

Contract hire the New Peugeot 308

Peugeot's all new 308 goes on sale next month. What makes it the next generation Peugeot, it's all in the detail.

The 308 is a truly beautifully proportioned car and sits dynamically low.

It has a strong personality with a classic Peugeot face, striking feline headlights, an aggressive grille in black or aluminium, front fogs, sporty tailgate with triangular lights, and that hallmark Peugeot badge to show it means business.

It comes in a choice of 12 colours, including Bianca white, Shark Grey, Nera Black, Taranga Blue, Lacerta and Babylon Red.

The 308 has been tested over 1.2 million miles-twice as many as any Peugeot has been tested before. Peugeot's designers are certain that you'll be more impressed with the refinement of their new model.

The all New Peugeot 308 will launch in September 2007.

To find out about leasing the Peugeot 308, please phone Stephen Du Cros on 01753 801909 or email Windsor Vehicle Leasing on sdc@wvl.co.uk.
