Flexible Car Leasing With No Contract

Do you want a high quality, great looking hire car or van but don't want to sign up to a fixed-term contract?

Windsor Vehicle Leasing have the answer. They have over 30 high-spec cars and vans to lease out under their new Openlease scheme.

No contract, no minimum hire period and no hassle; just an agreement from you to insure the vehicle, and you're off!

Choose from a wide range of reliable, quality cars and vans, including dinky Mini Coopers and sleek Audi Convertibles, and be assured that you'll receive the same level of service as any other WVL customer. You can hand the car back to Windsor Vehicle Leasing whenever you want – after one month or 12.

There are no termination penalties, and Windsor Vehicle Leasing will make sure you get a generous 1000 mile monthly allowance,

AA emergency cover and Road Fund Licence included in the package. What better way to lease a high-quality vehicle with zero amount of hassle? It doesn't even matter if your credit history isn't flawless.

Other flexible car leasing companies impose a minimum contract term of a few months. Windsor Car Leasing don't think that's truly flexible, which is why they're offering their Openlease service on a non-contract basis, to suit you.

Windsor Vehicle Leasing are known for their human service and for offering an individual package which matches your needs. Their Openlease scheme is the latest example of how they will develop a service to suit you, with no extra fuss.
