

Leasing a Ford Mondeo

Thought about leasing a Ford Mondeo? How does it compare to its rivals in the market? What's it like to drive? And why should you lease a Ford Mondeo rather than buy one new? Read on to find out...

The Ford Mondeo has been with us for a few years now, in various incarnations. Industry experts are hailing the latest model as the best yet, with a level of all-round refinement that's hard to beat in this class. Indeed, no rival cruises as comfortably at high speeds or deals with coarse surfaces so well. Leasing a Ford Mondeo means you enjoy the ride without breaking the bank.

Some of the latest models in the Ford Mondeo range come with Ford's Interactive Vehicle Dynamics Control (IVDC) electronic dampers which give superb suspension and cornering control, making the Ford Mondeo a genuine 'driver's car'. The body is 130% stiffer than the previous model which gives increased stability and rigidity for better handling. And unlike some of its rivals, it always feels nimble and responsive.

The latest Ford Mondeo is a bigger car than previous versions. In fact it is wider and taller than a BMW 5 Series, and only 6cm shorter. The Ford Mondeo is available with a huge choice of engines, three bodystyles, and four trim levels which currently brings the range to an amazing 75 model combinations. Although traditionally a competitor to the Vauxhall Vectra, the vast model range means the Ford Mondeo can now compete head to head with luxury brands like the BMW 3 Series, Audi A4, and Saab 9-3.

Leasing a Ford Mondeo is a popular choice for Windsor Vehicle Leasing customers who are looking for an affordable way to drive a new or nearly new car. With car leasing, the driver's monthly payments cover the cost of the depreciation over the time they use the car, with the option to buy or return the vehicle at the end of the agreement. As leasing payments tend to be cheaper than purchasing, it's a cost-effective option which often means a higher spec model can be yours to drive – even though you thought it would be out of your reach.

For more information on leasing a Ford Mondeo contact Alan Robinson on 01753 801926.
